### Here are some advantages for the Electric Fireplace Inserts :

- No Venting, Piping or major installation required, just simply plug the inserts into your existing 110 wall outlet (220 Capability avail on some models)
- Over 4600 BTU's of safe, efficient heat.
- Enjoy the flames with heat or without, its your choice.
- All inserts have a remote control for hassle free operations
- UL listed for safe, efficient heat
- Factory warranties ranging from 1 - 5 years depending on the insert.
- Classic furniture will service your insert even after the warranty, see store for details.
