There are many advantages and benefits with our Median Console program, here are just a few:

- All of the media consoles produce over 5000 btu's for safe, efficient heat.
- They can heat up to 400 sq feet of living space and can be placed in any room that has an outlet.
- Just simply plug the stove into your regular outlet. The plug is a two pronged plug, NO special wiring or outlet required
- Operate the flames with or without heat so you can enjoy your fireplace all year long.
- You can move the media console to different rooms of the house that need supplemental heat.
- All of the media consoles have thermostats to control the temperature of the room.
- All of the media consoles have remote controls to make them easy to work.
- They will heat your room for an average of 10 Cents an hour, that is with 50% heat cycling.
- All the media consoles are UL listed and have a 1 year parts and labor warranty.
- Purchase with confidence, Classic Furniture has an onsite technician who will take care of your media console when you need service.
- Dimplex has been producing safe and efficient heat products for over a decade and is the leader in the electric fireplace industry
